

Free Money!!!

These companies will match your donations!

Double Your Donations to Stone Valley! Apply Today!!

- Many companies offer employee matching gift programs that will match donations to non-profits like the Stone Valley Ed Fund & Stone Valley Middle School. **Class Size Reduction, Curriculum & Technology, Library, Science, and Band donations qualify.**
- A list of Stone Valley parent companies that offer employee matching gift programs is on the back of this flyer. **Is your company listed?** If not, ask your Human Resources Department if your company has a Matching Gift Program.
- If yes, obtain a matching gift form which is usually available on the company's intranet site. Complete the employee section, attach it to the Ed Fund Donation Form, and turn it in at Registration.
- Some companies require electronic submission of the form. If that is true or you do not have the form at Registration, simply note the name of your company on the Ed Fund Donation Form and we will follow up.

If you have any questions about corporate matching requests, please contact Sandv Markus Coleman at s_markus@yahoo.com or 975 820-8833

Do you work at one of these companies?

Companies listed below will match your contributions to the Stone Valley Ed Fund and to Stone Valley Middle School.
