

# Seventh Grade Supplies List

Dear Seventh Grade Families:

In order to assist in preparation for the upcoming school year, the following list of materials has been put together from the academic core classes (language arts/history, math and science). Additional materials may be required for physical education and elective courses. Please note that for subjects that require composition books, spiral notebooks are NOT a substitute. We would also like to mention that students would go through many pens, pencils and paper. It is recommended that they have a stock of these supplies at home so that students will never be without.

## **Foreign Language**

- One-inch binder
- 5 dividers
- Composition book

## **Math**

- 1.5 inch binder for math/science
- protractor
- notebook (students will need new ones each quarter)
- scientific calculator

## **Science**

- colored pencils (these are left in class)
- colored markers (these are left in class)
- one composition book (Maybury & Hager)
- metric ruler

## **Core**

- 1.5" binder for core
- two composition books
- two three-prong folders (not plastic)
- one inch square post-it notes (in at least three colors)
- zipper pencil bag big enough for core novels to keep them protected

## **General**

- dividers for each binder
- pens: blue or black
- mechanical pencils
- whiteout/correcting tape/erasers
- graph paper
- binder paper
- scissors/glue
- ruler
- red or green correcting pens
- highlighters (in at least two colors)
- colored pencils/markers (for other classes)
- tape
- mini stapler
- pencil bag or box for supplies
